Taylor Red - Monday, October 18, 2021 - 7:00 PM

Identical triplet sisters Nika, Natalie, and Nicole Taylor compose the girl band whose sound is best described as Fresh, Fun, and Country. They are singers, songwriters, composers, and multi-instrumentalist who play guitar, banjo, fiddle, and mandolin. Writing and composing for their upcoming releases, you can't help but hear a whole lotta of 90s country, as well as two of their biggest influences, Shania Twain and The Chicks in their music. The trio was featured in People Magazine and Variety Magazine. The girls grew up in South Mississippi and currently reside in Nashville, Tennessee

REVOICED - Thursday, November 18, 2021 - 7:00 PM

What began as a mere hobby has exploded into an international sensation of vocal proportions that captivate audiences of all ages wherever they go. The simple goal was of "Revoice-ing" hits from yesterday and today quickly pivoted them towards using their musical talents to uplift and inspire listeners to strive for excellence within their own life endeavors. They proudly serve as ambassadors for Anthony Kennedy Shriver and Best Buddies International as they promote the expansion of inclusive/job placement programs for individuals with intellectual and/or developmental disabilities. They have been selected to represent the United States government overseas as part of the US State Department run program called American Music Abroad.

Sons of Serendip - Thursday, January 6, 2022 - 7:00 PM

This musical group of four friends, who through a series of serendipitous events, came together in graduate school at Boston University. In 2014 they joined forces to begin what they know will be a long beautiful journey of creating music that touches people's hearts by competing and becoming finalists on *America's Got Talent, Season 9 (NBC)*. They hope that their music will resonate deeply with listeners and that, in some way, it will make their lives a little better — even if just for a moment.

Let's Rock Broadway starring
The Diamonds - Monday, February 14, 2022 - 7:00 PM

Through the years since the release of *Little Darlin'* The Diamonds have learned one important lesson—the durability of this classic rock and roll music is as much about the future as it is about the past. As a result they continue to expand their audience to this day — with Symphony Orchestras, in Performing Arts Theatres and major concert halls, on cruise ships, in casinos, at county and state fairs, on tours of England, Ireland, Brazil, Chile, Korea, and Japan, for benefit concerts, corporate conventions and at nightclubs. "We love songs we can understand, remember and actually sing the words to — today, tomorrow, or even 20 years from now.

Fantastick Patrick - Thursday, March 10, 2022 - 7:00 PM

Unique entertainment that combines situational improvised comedy with a backdrop of absurd tricks and daring stunts that give life to a truly unparalleled experience. Each show is entirely unique because he uses audience interaction to guide the direction of the performance as opposed to using the same jokes over and over. He loves giving you everything he's got. From a ten-foot unicycle, to improvised songs on the ukelele, balancing step ladders, and juggling, we never know what's going to happen at a Fantastick Patrick show but you can trust that it's going to be amazing.

Black Market Trust - Thursday, April 7, 2022 - 7:00 PM

An American pop/vocal jazz band that combines the sounds of the great American crooners and vocal groups with the romantic Eastern European gypsy fire of a jazz guitarist. Consisting of five world class musicians who have traveled the globe recording and performing on the world's biggest stages and with music's renowned artists. Merging their love of everything from The Mills Brothers to The Beach Boys, Sinatra to Lennon/McCartney, the band began to arrange lead and 3-part vocal harmony lines to their favorite Great American Songbook standards. The Black Market Trust has organically created a new sound that is daring, fresh and exciting yet somehow still familiar and inviting. Combining old world romance with new world form, they have crafted a simple, elegant and well-defined classic sound.

ALL CONCERTS ARE HELD IN THE SCHREIER THEATRE OF THE MORGAN CITY MUNICIPAL AUDITORIUM, 726 MYRTLE STREET
